WHAT'S NEW

- Our school year has begun. Children are moving up to different classrooms with new teachers. We will do our best to make sure their transitions are smooth. We ask that you take a moment to talk to & get to know their new teacher.
- Please bring in photos of your child, family members, and memories. We will post them in the classroom to share. It is comforting to children to have a part of home with them at school.
- YESS NC-PreK program will begin on Sept 5th. We welcome our new students and families to the program! This is Ms. Tamara's second year as lead teacher. We welcome Ms. Kemp to our team as our NC PreK Assistant! She has a bachelor's in psychology, Early Childhood Credentials, and is furthering her education with GTCC.
