## GOOD NEWS

- Infants, toddlers, and 2s are jumping into Fall by engaging in leaf-themed art projects and experimenting with color mixing to craft vibrant fall colors.
- Our threes and fours are deep into their "Tree" study, venturing outdoors to explore and collect various natural items like pinecones and sticks to create beautiful artwork.
- The NC-PreK group is off to a fantastic start, exploring activities that help them to discover their emotions. They've been reading "The Color Monster" by Anna Llenas, aiding them in identifying their emotions and expressing them in more positive ways.
- Our NC-PreK parents have joined in on the fun, participating in afternoon games like duck, duck, goose, and hide-and-seek. It's a wonderful opportunity to build strong bonds with our families. Thanks to everyone for making it all possible!
